by Giancarlo Capco of  
Calrigger Technologies

## SR ASOG 1 GENERATOR

### Can Power:

### Can be used for:

### DIAGRAM SPECS:

### BASIC PACK

Unit + 220V Wall Charger only

Php 6,500

### STARTER PACK

Unit + 220V Wall Charger + 10w Panel

Php 7,000

### PREPPER PACK

Unit + 220V Wall Charger + 10w Panel + Dual Head fan + 2 Pcs. LED Lights + Extension Wire AWG18 10 Meters + Wire AWG22 20 Meters + Port Extension Socket + DIY Tools

Php 10,000

- Battery power: 12v, 7amp, 84 watts output
- 3-Way charging: Solar charging, External 220v adaptor, Auto DC plug
- Led flashlight: built-in 2 pc.1 watt 12v dc
- Charger controller: 5 amp capacity
- Weight: 10 pounds
- Water Resistant

## SolarRev SSOG 500 Tactical Powerstation AC/DC

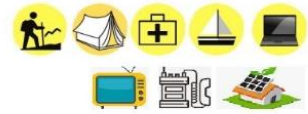

Tactical and powerful, the SolarRev SSOG5 Tactical Powerstation AC/DC is portable carry power source for your basic travel needs. The SSOG500 is a DC 12 Volts 460 watts powerbank developed together with military servicemen for their off-grid operations.

## SOLARREV SSOG500 PS GENERATOR

Can Power:

Can be used for:

SolarRev SSOG500 is Equipped with tactical grade features starting with tactical grade casing, dual flashlight, built-in 10 amp charge controller with automatic solar charge shut-off, high capacity input solar panel socket, input and output DC battery terminal socket, input and output DC auto car socket and USB output port, these are efficient for charging mobile phones, GPS navigation device, DSLR Camera, tablets and powering DC lights and DC fans. The SSOG500 unit has a built-in 200 watts inverter and supports plug and play inverter for laptop charging. With the SolarRev SSOG500 with you, you can enjoy the Solar Sun of God Power anywhere you go.

**BASIC PACK PHP 19,000**  
Unit + 220V Wall Charger Only

**STARTER PACK PHP 22,500**  
Unit + 220V Wall Charger + 90 Watts Panel  
+ Extension Wire 20Meters

**PREPPER PACK PHP 25,000**  
Unit + 220V Wall Charger + 90 Watts Panel  
+ Extension Wire 20Meters + Desk FAN DC 12V + DC 5 LED Lights 3 Watts  
+ built-in inverter socket rated 150 watts surge limit 450 watts
